

Fixed Term Fruit Counter

About Craigmore

Craigmore works with global capital partners to build and manage more than 25,000ha of farm, orchard, and forest businesses in Aotearoa New Zealand. With over \$1 billion of assets under management and growing, Craigmore's aim is to be a long-term producer of high-quality food and forest products whilst managing the land sustainably and helping to build strong rural communities.

See <https://www.craigmore.com> for an in-depth look at our businesses.

We are embracing new technology, precision farming and solid stakeholder partnerships to create and operate the most sustainable and profitable orchards and vineyards possible.

Join Our Team as a Fruit Counter! Are you passionate about the outdoors and hands-on work? Do you thrive in a team environment? Look no further! We are seeking seasonal employees to join our vibrant orchard at Springhill in sunny Hawkes Bay.

The Role

At Springhill, we take immense pride in our orchard. As a Fruit Counter, you'll play a pivotal role primarily counting fruit clusters ensuring our trees have the perfect number of fruits on each branch. With possible transport options.

What You'll Bring:

- An enthusiastic and hardworking attitude
- Enjoy working outdoors
- You'll have a good eye for detail
- Ability to collaborate seamlessly with colleagues from diverse backgrounds
- Willingness to learn and follow instructions
- Must currently reside in New Zealand and hold a valid work visa

What We Offer:

- Immediate Start
- On-the-Job Training
- Friendly Atmosphere
